**ADMINISTRATIVE LAW JUDGE'S RULING SCHEDULING A PREHEARING  
CONFERENCE AND OTHER PROCEDURAL MATTERS**

On January 22, 2007, California-American Water Company (Applicant) filed Applications to increase or decrease revenues in 2008, 2009 and 2010 in four of its districts: Coronado, Larkfield, Sacramento and Village. Protests to the Application were due on February 23, 2007. The only protest received was from the Division of Ratepayer Advocates (DRA).

This ruling sets a prehearing conference (PHC) for Friday, March 23, 2007, 10:00 a.m. The main purpose of the PHC is to consider consolidation of the cases, establish the schedule and discuss the scope of the proceeding and any other procedural matters. Parties should identify any issues not identified to date that they intend to raise, particularly those issues that could affect the procedural schedule. A Scoping Memo will be issued following the PHC which identifies the scope and schedule of the proceeding.

A schedule for Public Participation Hearings will be set by Ruling prior to the PHC date. I have been in contact with the Applicant and DRA to discuss a mutually convenient schedule that allows for appropriate customer notification.

Therefore, **IT IS RULED** that:

1. A prehearing conference is scheduled for 10:00 a.m., Friday, March 23, 2007, at the Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, CA 94102.
2. At the prehearing conference, parties should be prepared to discuss consolidation of the cases, the schedule and the scope of the proceeding and any other procedural matters.

3. A schedule of Public Participation Hearings will be issued by Ruling prior to the prehearing conference.

Dated March 1, 2007, at San Francisco, California.
